The Premises:

Comfortable surroundings. Functional but more than adequate.

The Lady:

As previous FR about 5'2" in height, South korean lady. I would say her age was more around 27 than 22 but a very sexy package of fun. This lady has a wonderful arse, more rounded than usual on an asian and I found this extremely sexy. A beautiful body and a gorgeous face.

The Story:

I seem to be having a good run with asian women at the moment(thanks mainly to this site). This was one of my best!

April ground her g-string clad arse into my crotch area. As I hardened rapidly beneath my calvin klein boxers she slid one of her dainty hands round to squeeze at my lengthening member.

Slowly she pulled my shorts down and dropped to her knees. She took my swollen erection into her mouth and started to suck beautifully.

This was going to be a great punt.....

After a few minutes of this we jumped on the bed and into 69 position. I thrust gently into mouth whilst I licked and feasted on her beautiful pussy. Her moaning and writhing confirmed that she was loving this and after about ten minutes of direct action on her clitoris she had a very powerful orgasm.

On with the rubber and into mish then doggy whereupon I came.

Lots of kissing, lots of tongues, lots of action...

An amazing half hour with a top girl. She told me that she won't be at this establishment for very long... so looks like a repeat visit this week for me if I want to see her again!!
