The Premises:

Well reported venue, old building and with lift just outside main town centre. Fairly discreet, parking on road nearby. Safe enough in daylight, might feel a bit dodgy in the dark.

The Lady:

Attractive, young, slim, snake hipped black girl. Small bum but big pendulous natural boobs. Mostly shaven, nice skin. Clean and fresh.

The Story:

Mischa came straight in and we kissed passionately for 5 mins flat out. A brilliant start. She is quite submissive and is entirely happy to be guided along. Enthusiastic sucking with eye contact that was so good my face went numb! This carried on to CIM before a rest and some reverse oral on a nice clean pussy that tasted good before back to more oral and then covered sex in missionary and doggy. Again I opted for CIM with a facial. The facial didn't really happen in the moment, just CIM. To her credit she apologised - what a star!!
Nice chat throughout that did not detract from the sex. Altogether a nice girl.
