### The Premises:

Clean nice flat in a very safe apartment block.

### The Lady:

They are very much like the pictures on the web-site. No photoshop done there. And yes, they are beautiful.

### The Story:

Great agency service, prebooked by e-mail a couple of days in advance, and got an extra confirmation by text the actual day. Everything was very friendly.

The actual session: PERFECT - no extra words needed.

If you are not into 2 girls at the same time, both girls would be worth a trip on their own.
