The Premises:

Apartment was clean and well kept in a nice area, as advertised, with a huge front room. Felt very safe once inside. I was asked to remove my shoes just inside the door (to keep the reception area carpet clean on a wet day I suspect). Outside the apartment was quite busy with a lot of University students going back and forth but was not an issue. Bedroom was snug with background music playing and en-suite shower.

The Lady:

About 5 foot 7, very beautiful, (without the subdued 'hardness' sometimes found in other girls in the profession). Divine body, unbelievable breasts (Natural 34D). Lovely smile, nice arse. Very laid back (pardon the pun)

The Story:

Ella, Ella, Ella where do I start? Stunning, Stunning and Stunning with what seemed like a really genuine approach to the whole thing. Relaxed me almost immediately. Started caressing me and kissing while I was still stripping. Completely unhurried, asked me if I wanted a shower beforehand, asked me if I wanted a shower or a cuddle afterwards. Ella has a lovely warmth to her that made you feel that little bit special. I have seen many other girls over the years, but Ella really took my breath away. The others were just a punt. Not Ella. Nothing she did seemed routine and she really worked hard at pleasing me (just the way I like it!)
