The Premises:

Very nice apartment; clean and fit for purpose.... in a very nice area of London.

The Lady:

Oh my god! She looks much better than the pictures...she is the type of girl I would approach in a bar or club...looks fantastic even without makeup!! Don't take my word for it...the best looking girl I have ever seen...If you like them with natural big boobs look no further....very seductive eyes....I get hard just remembering the date!

The Story:

Ok guys....what can I say....I was looking for London's best and I guess I found her...at least according to my experience. This is (no kidding) the best experience I have had in my life (escort or girl friend wise...) I am 32 years old and I had a number of girlfriends and also tried a few escorts before and this is the best I have experienced...she made me come 3 times in an hour!!! Not very usual for me...she is really true class. I am a lucky guy I never thought I would ever experience this. At last I know where I am gonna spend all my resources from now on!

After 3 months living in London I found my holy grail :) I feel silly recommending her since I would like to keep her for myself...but this is just wishful thinking I guess.

Enjoy guys and treat her well...only for the high class gentleman.
