Julies home is just as I thought it would be, clean and welcoming. Pleant of parking with a station not far as a bonus.

The Lady:

Julie is a tall blonde who looks after her self very well indeed. Top draw and sexy with it.

The Story:

I have seen Julie before when she lived in Romford. Couldn't beleive my luck when I called her and she said she had moved. That will make me poor as I now only live 6 miles from her. Julie gives the kind of service you look hard to find in a working girl. I have visited quite a few in my punting years. Some go so over the top with all the chat about how good I am etc. Look I'm slightly over weight and 51, so I know how good Iam all ready. Trust me when I say Julie gives a great service and well worth a punt in you live in the area, I do REALLY mean it.!!

I have never written a report before because I don't like going into all the sexy details I read on here.I one of the old school who likes to keep what happens to my self.. But as Julie asked me to leave a report as she had just moved, I was more than happy to do so. Tall, Blonde and sexy with a right tasty body with all the bits that work. Hope you go and find out for your self guys..!!

Julie moved from Romford and there are reports about how good she is in the Romford area..!!
