### The Story:

If you are looking for a PSE-type experience in London I just cannot imagine that you could do any better. Alex was simply incredible - she delivered everything with a smile on her face and just wanted more, more, more. Pornstar-style sloppy blowjob, vigorous rimming, DP with toys and me, anal with lots of encouragement to slam in in hard, deeper, faster - you name it, this girl is just fantastic - make the effort to see her - you will not regret it.
