The Premises:

As described by others. Not sure I got the date/time right, but sometime near then.

The Lady:

Attractive, shapely curved body, particularly nice bottom. Lovely smile and shining eyes. Just like in the website pics. Very little evidence of photoshopping ? what a pleasant change!

The Story:

The earlier reviews say it like it is. The thing that really hit me about Carla was her personality and attitude. Seemed warm, passionate and genuinely interested in enjoying herself too. Good sense of humour, clearly intelligent, can see beyond the billfold. Guess what we did together.

The nearest I've had to a genuine GFE in a parlour. Could go far, maybe even win the sex factor.
