The Story:

Started with some Owo from Sarah while chatting with Sienna followed by a glorious fuck. After a quick refreshment break a lovely wank and blowjob from Jewel , as she was playing with my cock she slipped a condom on her fingers and pushed them were the sun don't shine ,very Nice!

Quick cold shower and then on to Monique Heaven is the only way to describe it. I thought my day couldn't get better but I hadn't met Carolina yet a beautiful Latin fuckslut ay caramba

Jodi next and as I was fucking her Jewel and her fingers came back into the room that was hot!

Needed a rest so was watching Sienna get fucked while I recharged so I could have my wicked way with her when she finished . Was talking with Sarah and when Sienna finished and needed to go for a break she volunteered to get me ready for her return. Having your cock stroked while you chat is lovely and so rare with so many get them in get them out establishments.The conversation followed seconds later by a certain Dusty song lead me to choose this nick

When Sienna came back she and Sarah set about me and just as it was about time to finish and me shoot my load Jodi joined us for the final tipping over the edge . To quote Arnie I'll be back!
