Nice flat on main road opposite natural history museum. I got there by train but didn't see much parking.

The Lady:

Very pretty and an amazing body. Looks different to her pictures on website but better a definite honey.

The Story:

When I arrived I was greeted by the hostess and shown to a room and asked if I wanted a drink I asked for a water. I get very nervous when I do these things but in walked Lea wearing nothing but a little thong and bra.

OMG I started to get hard as soon as I saw her. We sorted out the money side of things and then she jumped on the bed and gave a big cuddle so I took the opportunity to grab her perfect arse. She asked what I wanted. I asked to start with OWO then some sex and does she do CIM. Sadly she said no to the CIM but we proceeded on with the rest.

The OWO was amazing and I had to fight not to cum. Then she hopped on top and rode me. She was full of energy and if you do see her definitely let her go on top she knows what she is doing. There was plenty of full on kissing throughout.
