### The Premises:

Easy to find, ample parking, very comfortable and modern

### The Lady:

Very, Very attractive Blonde with the most perfectly shaped/sized boobs ever. Tayla has a cheeky/devilish girl next door type look about her. A real woman.

### The Story:

I started with an assisted shower with Tayla threatening to lick the fudge scrub off if the shower packed up. I've never hoped so much for something to stop working ...

Massage was great, nice and firm how I like it.

Body to body massage with Tayla's perfect boobs was mind blowing and something that every one should experience at least once in their life.

Ended with hand relief which was a 9.5 on the Nina scale. Just pipped here by Nina, because of the way Nina stays on you when she's providing the happy ending.

Will I be back for seconds, hell yes and thirds and fourths. In fact I'm going to need to see Tayla in the sweet shop (Annabells's) because there's so much more to this woman that I need to explore.

Thank you so much Tayla for a great time.
