### The Premises:

Honeypot is a clean well furnished establishment with a strict policy whereby clients are kept seperate from each other. It is located on the first floor above a tyre shop on attercliffe road but unfortunately the main entrance is right at the roadside.

### The Lady:

Lyndsey is a beautiful 21 year old woman with a slender figure and quite large perfectly pert boobs. She has a cute/cheeky look about her that works well.

### The Story:

Lyndsey started off by giving me a back rub, she then turned me over to continue the massage in more sensitive regions. She moved onto oral at which point I asked if I could massage her for a while she she agreed to and seemed to enjoy. She performed some more oral on me which was great and we then had sex with her on top. Lyndsey is a lovely girl and I enjoyed the experience.
