The Premises:

Basement flat a couple of minutes walk from Paddington Station, easy to find. Nice flat, clean and warm. Busy enough area but did not feel observed going in.

The Lady:

Recognised Rose immediately from photos on Olina Website. Petite Thai girl with lovely cheeky smile. Very nice tits, just like in photos. She did have a fairly obvious post-baby tummy tuck, which doesn't feature in her photos! Photos otherwise very accurate. Overall Rose is a sexy little package and very horny.

The Story:

Another cutey from Olina. Rose is very enthusiastic for her work. Nice welcome and offered me a drink. After a shower (on my own) got straight down to it with Rose. Despite giggling a lot and saying she is shy she is certainly not shy of cock. Gave me a very good blow job, taking it very deep. Could have let it go on for the whole hour but wanted to fill her throat as her OWO really turned me on so decided to pop early on in the proceedings and have a go for cum twice. Delivered a a big load of cum deep in Rose's mouth, which she greedingly sucked out and drank down with no quibble. Good girl.

Rose then offered me a nice massage, to give me a little recovery time. The she let me into her pussy, which I'd kissed and eaten for a while - she tasted good. In her (BB) for a long time and tried different positions. She liked it from behind. She didn't want cum in her puss so ended with more delicious OWO, leading to second cumming.

Really nice girl and good time.
