The Story:

Not only was this my FIRST visit to funplace but my FIRST visit to a massage parlour and my FIRST time with a mixed race woman. I sat on the bed feeling like it was my first nervous yet excited and in walked Jamie. I told her how nervous I was and it was my first time and she explained the how things worked. Her soft and sexy voice had me calmed down and next thing I know i'm faced on the bed having an incredible massage. Jamie asked me why I had come to funplace and I told her i had been told what an amazing place it was by a friend. I found myself telling her everything about what happened and what was about to happen in my life and that I had put everything on hold so that was why my friend told me to visit funplace. Jamie made me feel completely relaxed and listened to what I had to say. Next thing I know she is sitting on me riding me like Seabuscuit. My only regret about Jamie is that she was only covering that monday night and she usually works tuesdays and my personal sitiution I can't visit funplace or Jamie on tuesdays. So any bloke who sees Jamie I can sum her up in one word AMAZING!!!
