The Story:

Read a previous report and saw her pictures on Another Website, so thought I would visit. Walked in and was happy to see her, if you have a fantasy to make love to a Juliette Binoche lookalike then here you are. It was snowing outside so I felt a little cold and wet and needed a few minutes to warm up and so we just pleasantly chatted. I started with some O on her which she enjoyed, she returned the favour and we finished with her on top. I had visited another girl a couple of hours before and was feeling tired but Ela was so good that I had a happy finish and she was glad and admitted she would have continued till I had. What a girl, great to look at, good to talk to and professional to the core. Jerk punters please keep away.
