The Lady:

Very attractive young lady. Fantastic figure, great arse and tits.

The Story:

Enjoyable experience. Started with very good and enthusiastic BBBJ. Asked could I lick her fanny and she presented herself on all fours, doggy style. I immediately started licking her arse which she said she really enjoyed; she said she liked rimming so much she would do it without a fee.

On with the condom. Lots of positions and vocal encouragement from Jessie, she likes dirty talk.

Asked could I finish in her mouth, she said it would be extra. I agreed and popped in her mouth. Slightly too much hand used, I should have asked for less hand but didn't.

Only down side, apart from too much hand, was the kissing was too short and shallow.
