The Premises:

Flat at the top of a typical block, nice quite road (for London) safe secure no problem. Flat a bit untidy, things seem all over the place, but AOK and fit for purpose.

The Lady:

As per website (usual one fo Indies) all facts seem true, young, size 8 small size B, good looking girl, sexy!!! Dressed as requested in Secretaries outfit.

The Story:

A nice welcome on a very cold (snowing) day! - money exchanged and shower / drink offered while having an exploration of her underwear :-)- stockings, tight skirt, pretty G string net front panties, and no bra! in her white blouse. After the shower on to kissing and undressing Victoria, she has a sexy Polish accent which is nice. Romped around the bed and on to reverse CG - so good!! changed possitions, to doggy, gentle placing my thumb in her ass! (she took this out when I was in too deep but allowed it for a while) - she did not allow fingering which is a shame... but a good punt with a nice intelegent girl. She is going back home for the holiday period but will be back. A very good way to get warm on a cold day :-)
