The Premises:

well reported Rub and Tug place - beautiful ground floor area, well kept and close to the tube.
Private enough and the girls are discreet

The Lady:

dark haired polish girl, well built frame, tiny bust and delightful skin. Pleasant and gentle - 2nd time with Sabina - I did not need to think twice.

The Story:

Needed a Christmas treat and this place always delivers. Not a full service but a delightful 30 minutes where I could let my cares be massaged away and with a few good nipple licks and rubs have my needs catered for in an explosive climax.

Nearly at my free half hour time - Can't wait - this place rocks, all the girls are well mannered, polite and obliging in the rub and tug department.
