The Premises:

Mansion Block near Marble Arch. Parking nearby. Quite smart inside.

The Lady:

Photos are accurate. Tall (5'9") very slim Romanian woman in her early 20s. Good looking with a good body (b cup breasts, slim legs and arms etc).

The Story:

Kandy was quite friendly and enthusiastic for a Romanian WG with reasonable English. Oral covered, reverse oral permitted, light french kissing also allowed. Unlike many WGs who are indifferent about how intercourse is performed, Kandy volunteered a firm preference for what she called "intense" sex - deep firm rhythmic thrusting in mish. Predictably I only lasted about 45 seconds but a very enjoyable 45 seconds they were. She hid her frustration politely but afterwards she said she needs 5 to 10 minutes to cum. A delicious thought but sadly it won't be with me ;-(but I will certainly return to sample her long leggy body again.
