The Premises:

Luxuriously furnished flat above a shop on a main road. The entrance is via a very exposed wrought iron stairway to the rear. Parking is available in local streets, it is also near to Elmers End station and local bus routes.

The Lady:

Petite Spanish, or is she Portuguese? girl. Fair hair, smallish breasts but with nice big nipples. Very friendly and accomodating.

The Story:

Another good session at Kitty's. Plently of foreplay followed by sex in several positions culminating in doggy. Sorry, I can't remember the full details as several other encounters have occurred prior to writing this report.
