The Lady:

wow, mid twenties readhead with what can only be described as the body of a goddess - sweet face, sexy eyes, creamy skin, very curvy, voluptuous, busty, a sweet ass, but everything in very good proportion - the type of girl that makes my jaw drop.

The Story:

the hour spent with Victoria was fantastic. She was friendly, chatty and instantly put me at ease. She is very perceptive, and for the first time ever for me with a punt she knew exactly what I wanted without me having to ask. She can really read a guy's needs & what I needed that day was a total full-on porno experience which she provided with mutual relief, wonderful owo to completion, full sex, anal etc etc. I won't cover all the details but be sure that this girl will provide a service that will blow your mind - one of the sexiest punts I ever had - it's just a shame I live so far from the North east or I would definately be a regular at her door.
