The Premises:

Just a couple of minutes walk from Knightsbridge tube station.

Tip: Use the lift to go to the 4th floor as you'll need all your energy when you get there.

The Lady:

Both are absolutely gorgeous. Tall and busty. If you're looking for real amazonian types - both fit the bill...

Dressed as requested. Roxxy in her blue pilots outfit with stockings, suspenders and thigh high boots. Lana dressed in a secretary outfit. All four of them (if you know what I mean) were trying to bust out of their outfits!!!!.

The Story:

I had read individual reports for both Roxxy and Lana on the maxes web site and other FRs had suggested a duo would be the ultimate in duos. They were not wrong!!!!

I've had Roxxy on my radar for a while and when I had a good night at the casino the night before, I decided to have an early Christmas present. This was the best Christmas present ever.

I won't go into details but I was absolutely shattered by the time I back to the flat and I slept like a baby.

If you book Roxxy and Lana together, get plenty of rest and make sure you have 3 shredded wheat!!!!

I'll definately be back in the future but I won't be so greedy next time.

I'll book them one at a time, but I'd certainly recommend them if you've got the stamina for it and you're into duos.
