### The Premises:

Small semi in a residential area, reasonable location although parking a bit difficult (resident parking bays everywhere). Quite easy to find BUT do check the address, it is in a road in Headington with a very similar name to a road in Summertown 5 miles away! And Kitten Club do keep moving around so make sure they spell the address. Felt safe although was a bit disconcerting when the landlord came into the house while I was waiting in the room, thankfully he didn't join me:-)

### The Lady:

Katie is a very petite English rose, probably a size 6, with gorgeous long dark hair worn in an Amy Winehouse style, with a beautiful face and deep incredibly sexy eyes and a dark husky voice. She hasn't got an ounce of fat on her, small but absolutely lovely breasts, and great legs. Very funky looking girl who is adorable.

### The Story:

There are a few things in life that I don't understand. Like - how come when you are with an ugly girl it takes forever to come, but when they are gorgeous it's all over in a few minutes! And how come you can go through months without finding a good shag, then two brilliant exponents (Chloe and Katie) come along in the same month!

Well, it was Christmas week so I planned to visit a Japanese lady in Bristol on Monday but couldn't make it, and as a special treat was going to re-visit Chloe on Wednesday but when I called to book her she wasn't working because of the snow. So I was somewhat frustrated and in desperation tried the Kitten Club. If you know Oxford, you know it isn't over-endowed with great places, but I needed a shag and with two disappointments in one week, anything would do!

After faffing about trying to find the place (should have got the full address) I knew this was going to be a bad idea, but hey, I needed a girl. Two girls working. The first girl came in and was not my type but at least she wasn't ugly, so at least I would have fun with her if the second girl was no good.

Then Katie walked in and I knew it was Christmas! This girl is awesome. If you want big tits Katie isn't for you, but if you like a very sensuous and well-practised young lady, she'll take your money and give you a brilliant time.

Started with a cuddle and played with her fantastic nipples for a while, then a really good and relaxing massage. As she turned me over she said she gave really good head, and boy did she! I'm so glad I had a condom on, this girl takes it all and gave a fantastic slow and deft blow job. Then

she rode me. Very slowly. With a superb technique and wonderful to watch, she rode me for 10 minutes until I just exploded into her.

If I were a judge on Sex-Factor, Katie (along with Chloe) would be in my final three. Just need to find the third act now:-)
