The Lady:

Attractive in a "girl-next-door" style. For the sake of accuracy, I must report that she is not quite as slim as she seems to be in the website photographs. Instead, I would describe her figure as medium-build for a girl of her height (5'7"). Certainly not the size 8 claimed on the website, but more like size 12. Her breasts are ample and natural, estimated to be cup size C, or perhaps D. Fully shaved. Pleasant face, she is friendly, and she smiles a lot. Has a Liverpool accent. I liked her.

The Story:

I recommend Abi for the type of punter, like me, who is looking for a gentle and intimate GFE with a naturally friendly girl.

She started by giving me a fond cuddle, kissing me and slowly but softly wriggling her breasts from side to side across my chest. Very arousing. Then on to a massage. She has a soft touch, and again she was very arousing. Then some body-to-body -- she certainly knows how to use her breasts to maximum effect.

I decided to ask if I could give her a massage, and she looked very pleased at the suggestion. She lay face down for me, and I soon discovered that she is the rare type of WG who genuinely, genuinely enjoys being massaged, touched, fondled, kissed and stroked. She seemed entranced by it, as I massaged her head, tickled the back of her neck, and ran my fingers up and down her back. After a decent time doing this, I ran my fingers between her thighs, and started to gently massage her honey pot. Within seconds, she started to moisten and slowly gyrated her hips in synch with what I was doing to her.

At this point, I decided that I would like to give her a body-to-body massage, so I climbed on top of her (still face-down), taking most of my weight on my arms and legs, but with my cock resting on her soft left buttock. I ran my chest slowly over her back, kissing her on the lips with each stroke. My

hand homed in again, under her tummy, towards her honey-pot. By now, she was very wet indeed, and wide open. Absolutely ready for it.

At this stage I became over-excited and squirted uncontrollably over her left buttock. Not what I intended to do, but the excitement was too much for me and I lost control. A very nice orgasm, though. I shall have to go back, and behave myself better next time.

After I had apologised and cleaned her up with a couple of tissues, I asked her if she would like me to bring her off by hand. It's only fair, after all, because I had already brought her up to nearly that point, and you cannot leave a lady half-way between. She said, yes, she would like that. So I cuddled and kissed her, while slowly and gently playing with her, and watched as she increasingly became excited, slowly wriggling her hips, until eventually she came.

Nothing fake about this orgasm -- I could tell that from the amount of liquid she was producing, and from the way she wriggled as she reached climax.

At my age, it is very rare indeed for me to find a WG who genuinely enjoys my sexual efforts. Abi is one of the very few who, I genuinely believe, did intensely enjoy what I did, like a real girlfriend would. The feeling that she was enjoying it as much as I did, added considerably to the pleasure of the encounter. For that reason Abi, for me, is an absolute gem. I shall be back for more.
