The Story:

The first time I didn't call before I left home they switched the girl (I was expecting Sarah early 20s) I'd travelled for an hour so said OK. Had the covered O, which was usually ?50 but there was a "genuine ?10 off" for christmas.

Session consisted of oral and handjob, Saffy wanted to charge an extra ?10 for penetration(which was included in my past 2 visits)??

Saffy wasn't my type and would probably suit someone who likes older and experienced leaning towards domineering. All in all I didn't really enjoy it and will call for scheduled girl being there if I ever return to the establishment
