The Premises:

Top floor flat - quite small, but clean and well decorated, mirror on wall. A quite morning so walked straight in.

The Lady:

Sascha welcomed me and sorted money after my first choice Roxy of Old Compton st had transport problems getting in. Hearing good reports from a friend Mat - saying Sasha was from Russia, I was hoping it was Nattalie of Lille St returning from a break. But no, I was not disappointed with her very pity smile, blond hair in a pony tail, nice soft boobs and very friendly personality.

The Story:

Kissed and cuddled as we undressed in front of mirror joking and laughing before giving Sascha a back massage and using her bum cheek cleavage to get me excited. On with the rubber for some deep throat oral, gagged and chewed a bit as she relaxed her jaw, me laughing about having an early lunch. Followed by doggy and some energetic cowgirl where it felt so tight inside her or maybe I was extra rock hard from the energisers. Mish, then the smile and expression on Sashas face as she eagerly charmed the white sprit out of me to a happy ending was memorable. We dressed and Sasha said ?you are nice and funny? which was good and as we said our farewell at the door. Nice girl and enjoys her profession. Thanks Sasha.

Sasha is off home this month, so hope to catch her before she go and put Paris on my wish next time if plan A fails to materialise.
