The Premises:

Clean and nicely furnished terrace house. Parking is available in a small car park close by or a larger one at Wicks store within 5 minutes walk. Nice safe area but quite a complex road system so allow time for parking and finding on first visit.

The Lady:

Gorgeous, tall (5'9"?), slim, blonde with a pretty face and a warming smile. The photos on her website are recent and accurate.

The Story:

Chelsea has recently turned independent after building up a very high reputation in various establishments under other names. I predict that she will do very well as she has the intelligence and application and communication and management skills that independence requires. It has been said that if you pay more you don't necessarily get better service but it does not follow that you don't. Chelsea is absolutely brilliant and well worth the bit over outside London rates that she charges. All I can say is that I had the deepest DFK, the most skilfully stimulating OWO, the most sensuous stroking and cuddling that I have ever had in a single hour of my long punting life. I strongly recommend her and look forward to seeing her again.
