The Premises:

Apartment near to shopping centre with lots of parking bays out front.

The Lady:

Leggy East European blonde around 5'7" tall, in her mid-late 20s with a cute smile and perky B/C cup breasts on a lithe figure. Speaks good English with a sweet accent. Reminds me of those luscious ladies that play tennis at Wimbledon in the summer.

The Story:

Having had the pleasure of Elise' company during her last visit to the UK I jumped at the chance to see her when I notice she was back at HoD.

Once again she welcomed me into the room with a friendly smile, a hug and lots of French kissing. She then slipped out of her dress before undressing me and treating me to some great OWO which culminated with her managing to create a rather good pearl necklace with my load.

After cleaning herself off Elise then gave me a really good thorough full body massage as I recuperated. Think I might need to work on my massage skills though, as when I attempted to return the compliment she was soon directing my hands to her crotch! So after a quick bit of finger play I got down to some RO which she seemed to respond well to.

Elise then slipped a condom on me for some cowgirl and doggie before once again offering me her A-Level service for an additional ?40 (not something she seems to offer all her clients so I guess it's one of the few advantages of me not being quite as well endowed as Ron Jeremy!). She started off in cowgirl but it was a little tight so we moved to doggie and after slowly working my way in she soon grabbed my butt and started thrusting her hips vigorously. We both worked up quite a sweat as she did A in several other positions before finishing me off a 2nd time with more great OWO and COB.

Another memorable GFE, with a nice bit of PSE, from a lovely lady.
