The Story:

Cornelie was called Sabrina when I saw her a while back. Have been a bit lazy with writing my reports and since I am catching up thought I should also submit one for this delightful lady. We started off with some polite chit chat to get acquainted as her English is quite fluent. We soon proceeded to DFK followed by reasonable OWO and sex in various positions. Second round was on offer and similar to the first - though she finished me in her hand rather than completing in the act as I got tired and wanted to take it easy.

Pretty young clean cut girl with a tight body that I would repeat.

(Please note that in my previous report for Bella I forgot to mention that I saw her through another agency Escorts of London not Supreme69.)
