The Premises:

Down a gravel path between local shops away from public gaze. Feel perfectly safe. Door bell gives you access. Was welcomed by the superb Cindy the wonderful owner who Ive known for 13 years and will always be the receptionist ive always wanted to shag.

The Lady:

Have seen Sienna once before and had a wonderfull time so this was to seek confirmation that she is as good as I first thought. My usual type of lady, a busty brunette 40DD aged early thirties probably size 14 and a very very pretty face. Well spoken lady.

The Story:

Lots of kissing, fingering and generally our hands were all over each other. We started on the couch which is always nice and after a few minutes we were on the bed giving each other wonderful OWO ?20 extra, kissing each others body ,and more snogging which went on for ages. A quick look at the clock by me and it was time for the main event. We decided on cowgirl which was so wonderful with Siennas beautiful face constantly reaching out to snog me and those breasts going up and down in time with her bouncing on my cock. We built up to the wonderful moment when we came at the same time. WOW.
