The Premises:

Usual Hod Ground floor apartment.

Was already at HOD having just seen Poppy so wasnt much of a walk to the end of the bed to put my clothes on and start the next hour. No passer-bys spotted me in those 6ft but it was a close call as the curtain had a slight gap in it. Luckily the window was steamed up. Felt very safe but the heater was maybe a bit too warm on my feet. Wasnt as clean as before because the last punter left his clothes on the settee. Fortunatly that punter was me so I just put them on again.

The Lady:

Gorgeous Spanish girl with blonde/brown hair. Brown eyes, Fantastic figure. about 5 ft 7, 34D natural chest.

The Story:

Ella entered with a smile and a kiss. Asked if I wanted a shower. Since Id just spent an hour with Poppy yes probably a good idea. Headed to the shower beside the kitchen and took the IQ test of working out how the shower worked. Its the lever at the bottom BTW, just pull it up slowly.

Back to the room, sorted the finances and soon in DFK and cuddling while standing. Headed to the bed to give her reverse oral, soon leading to a long session of 69.

She moved the focus solely on me with OWO. Fantasticly good. I didnt know whether she did CIM so asked "How far can I go?" unfortunaltly as it was so good this seemed to come out as "ahhFargo?". Luckily I think this was spanish slang for "can I f\$%k you?" so on with a rubber and into cowgirl.

Relaxed with a nice relaxing massage and a chat. Shes really easy to talk to. (Think CIM would have been a no anyway BTW)

Ella seemes very happy and friendly, focusing on you to make sure your enjoying yourself and she prefers to take the lead. If you prefer to take the lead it may be a bit off putting but she gives a very ranchy session so just lie back and enjoy.
