The Premises:

A grotty terraced house close to the town centre. The area felt safe enough but inside the house was cold, untidy, smelt of stale cigarette smoke and the bed was most unappealing.

The Lady:

Mid 20s, skinny size 8 with small tits. Not unattractive but hardly a head-turner.

The Story:

I was going to stop for one of their much advertised Anything Goes credit crunch specials but when I stepped through the door I changed my mind rather rapidly! I settled for a ?50 quickie.

Sophie (possibly now advertised as Sophia) was lovely, chatty and clearly aiming to please. The service I received was good and I would recommend Sophie but not the establishment.

If she was working somewhere else, I might be tempted to see her again for a proper session but going back to this place? No thanks!
