The Premises:

Very nice and warm modern flat in a gated development. Same flat as used by Marta who I saw some time ago.

The Lady:

Stunning; far better looking than her photos on the other site suggest.

Very sexy size 8 34DD (best enhanced tits I've ever got my hands on) figure.

The Story:

After my disappointment in Leamington Spa I managed to get hold of Aileen and arrange a rather short notice appointment for which I was tremendously grateful.

Aileen is absolutely gorgeous and offers a great service (although I didn't get to find out how "at discretion" her A levels are). She doesn't much like kissing as (in her own words) "I prefer sucking cock". Fair enough!

I would happily return to see either Marta or Aileen again and would heartily recommend them both.

My only gripe is why do we not have any girls like these 2 in Bristol? Loads of oriental escorts but none like these 2.
