The Story:

Ye Gods, after reading all her FR's I had to go and try- this is not for the faint hearted.. biting, throttling, choking, hair pulling, forced restraint, dirty talk like I've never heard (and I've heard alot) writhing around covered in baby-oil demanding my cock in her every orifice while tied to the bed- outrageous, even i was shocked and i've been with all the most infamous orientals over the years. Dont go expecting conversation, I dont think she said word that wasnt pure filth the whole time! some of it wasnt really my thing, im not a huge fan of being dominated and the amount of Strap-ons lying about was worrying- and attempts to stick her hand up my arse was just a turn-off. Anyway she must be obeyed apparently- refusal results in her telling you to get out ! Top class, there should be more like her about. Will I go back? yes, but only after I've recovered.
