### The Premises:

house is easy to find. house is located at the bottom of a culdesac but parking is availbalbe and the area looks safe enough. bedroom was clean and tidy

### The Lady:

louise is 18 and not skinny, but certainly not fat. lets say her curves are def in the right places. big busted and very attractive.

### The Story:

after i undressed was offered massage with oil or talc, delcined both and went for bare massage. massage ok and she let her hands wonder to my balls and gave them little tickles just to get things started.

turned round and louise politely asked if i wished owo or with condom, no extra charge for either. all ii can say her oral skills are the best i have ever come across in all the time and ladies i have seen. deeeep throat, ball sucking everything done just the way i like it. felt myself cumming so asked for her to mount me cowgirl so on with condom and she rode me expertly before i let rip and came. Louise was more than willing to go for round two as my time wasnt up but i was in a hurry to be somewhere else so left.

this is one lady i will visit in future and is now top of my list for ayrshire
