The Premises:

A ground floor flat in a quiet residential road. Easy to find (even for me) after a short walk from the tube station. Everything clean and warm. Felt safe and cozy.

The Lady:

Her website states "early 30s, fit, size 8, and bust size 34B, 5.5 ft" which is spot on and the pictures are recent and accurate. Camille is truly beautiful in the flesh and special mention has been made for her long flowing black hair and lovely smile.

The Story:

I normally visit very busty size 12-16 ladies, but after seeing Camille's website, she has a certain allure that I couldn't quite put my finger on, or resist. Arranging a visit was very easy with all mails being replied to promptly and after a phonecall one evening, everything was set.

I arrived after trudging through the snow and got a very warm welcoming hug and kiss. My first impressions were very good. She was beautiful and had dressed just as I had asked. She also brought some fruit to munch on throughout the afternoon which was a nice touch. Some cuddling and smooching to defrost my hands led to a trip to the bedroom. Lots of slow kissing followed as the clothes slowly came off and I took up the offer of a massage which was also very nice.

Things were building nicely and the next few hours were a heady mix of sensual and sexual delights shared by us both. Camille can be soft and sensual when needed and full-on rampant as the mood changes and is first class as both. She is very responsive and damn sexy with it too!

What I did notice and appreciate was the effort she put in to make my visit special. This lady really does everything she can to make everything as enjoyable as possible, and it shows. After taking a shower I left a very happy man with a smile on my face and a warm glow inside to head home in the snow.

This lady is a superb kisser, has a great body, loads of energy and enthusiasm, and knows exactly how to treat her man in the bedroom. I have nothing but the highest praise for her and will be back next month (without the snow hopefully)
