The Story:

feeling in urgent need of some hot sweet loving I decided to book nicole based on her previous reports under former alias of Mia.

was led by a postcode for the satnav to a nice little discrete terrace house in the centre of Preston, dished the dosh and went straight upstairs porn on the tele but I ignored it and went straight in to some hot kissing while she removed my clothes we fell on the bed as I rapidly removed her little red dress, nicole has a nice figure with a cute blonde bob, good sense of humour very easy to talk to straight in to a quick bout of OWO feeling the urge rapidly rising i reversed the position and went down on a very wet pussy, she was loving it and getting wetter by the second with plenty of moans and thrusting as she pushed her pussy down harder. she had a small come and we reversed it was a while since I last played so found myself coming quickly, which was discretely spat into a tissue. we lay for a while chatting easily before moving onto second round more passionate kissing lots of tongue and saliva being swopped more pussy was ate and more cock was sucked, on with a condom started in missionary lots of writhing and moaning, sex on fire was playing on the radio in the background, fantastic how apt, switched in to doggie more hot moans and then I was lying on top fucking her from behind with a very tight pussy I came with a big jolt.

wound down in each others arms just stroking and a kissing.

fantastic girl with a great attitude.

?170 for 2 very excellent hours with no rush to get rid of me highly recommended.
