The Story:

Found the nice flat bang on time and walked in, a little nervous as the lights were dimmed and I'm always a little cautious.

walked in and she demanded I remove my trousers and there was something that she wanted to see. So I pulled out my best friend and without warning she kneeled down and shoved it to the back of her throat.

this literally took my breath way and i was only semi hard, so I grew inside her.

after a quick introduction I jumped in and out of the shower and set to work.

I've heard how crazy Briony was and she didn't disappoint

she started off deepthroating my without gagging at all, encouraging me to pull her hair and push deep,

then after 2 much deepthroating and face fucking I couldn;t hold back and unleashed a load while she deepthroated me, she was dis appointed.....I wasn't hehe

quick 5 minute breather which I needed (she didn't)

and she had me tied up to the bed and blindfolded, she gave me a body to body massage, which really got me back into action, some more deepthroat action and some more deepthrat action all while I'm still tied and blindfolded.

after a while i pushed the blindfold back and wraggled free and again she lied on the bed and face off the side and deethroated for a while.

coming to the end of my hour and i got up and she was on her knee's as I was jerking off and aboutto cum she shoved my cock down her throat and I blew my load down her deepthroat woohhhhhh I almost passed out exhausted but fully satisfied :-)

jumped in the shower and about to get dressed and noticed I left my socks on the floor in the shower and they were totally soaked, being freezing outside I didn't put the on.

she offered me a pair of her socks which was very kind but I just popped on myshoes gave her a big thank you kiss and left

Whata great experince from gorgeous girl

Thanks Olina's and Brinoy :-)
