The Story:

I have met Isabella before on another name in different area few months ago in completely different circumstances

Isabella is very friendly and passionate young girl. Very beautiful face and very beautiful smile and very beautiful eyes and very beautiful curvy sexy figure. From the beginning, everything very positive and nice and lovely. Lots of passionate French kissing, lots of passionate hugs and cuddles and very nice OWO and reverse oral and lots of slow and sensual sexual foreplay and I spent lot of the time just visually enjoying Isabella, so I completely forget to have sex even I spent three hours with her because of so much excitement. I had very nice passionate GFE experience with Isabella.

According to my experience with Isabella, the girl is for the guys who appreciate everything about curvy honey and real passion to enjoy with all the senses and love and teasing foreplay. Isabella is for slow and sensual and passionate GFE and she is very teasing girl.

Isabella is very rare to find absolute gem. I very highly recommend Isabella for passionate GFE

She also work in another Flat in Canary Wharf.
