The Premises:

Nice flat in ablock with entry system. Felt safe enough.

The Lady:

Tall blonde in her early 40's. A very pleasant demenour & smile which puts you at ease straight away. Met at the door in 2 piece pinstripe suit, very classy secretary/ PA look.

The Story:

A very easy going lady this & so easy to spend an hour with, it could easily have been more, because not once was the time mentioned or a clock looked at.

On arrival i was offered a glass of wine & after some minimal small chat retired to the bedroom.

Once in there Carol changed completely! Off came the suit revealing a blue basque & stockings, she then devoured my face with DFK!

OMG next! Out with my cock she then deep throated the whole thing!!! her nose was touching my stomach & i have'nt exactly got a small cock! Amazing!

Every act that she says she does on her site, beleive me, she does! Covered sex in all positions & so willing to accept A-levels, i think she really does love it!

Go see her! Amazing!
