The Premises:

Great secluded place in a cul-de-sac with not much passing by going on. private and had security cameras. Was able to park outside and further down (but as there was snow on the ground not sure if it was illegal to do so!)

The Lady:

Sexy and cute little South Korean girl (who according to the lady on the phone was Japanese - sometimes I wonder if they even know who is working!!) she had tiny features, and was small breasted which I like, and had two spectacular tattoos on her back and shoulders. An amazing tiny girl absolutley ready for love-making. Gorgeous sexy lickable feet which when she finished, she slipped into the most sexy of slip on sandals.... died and went to heaven again!

The Story:

This was a fantastic girl and she was absolutely willing for everything and gave her all,...except sucking of her nipples for some strange reason. We kissed, stroked explored undressed each other and had great quick sex... Next time though I will be more prepared for this one and get myself a little more prepared for her. Perhaps I might have a wank first before going in....in an attempt to make the moment last longer.... No sooner than she had finished sucking me off with the rubber going on was I coming to life.... and after a few heady minutes of intense sucking action.... I begged to enter her, and she sat ontop of me... The moment I slid into her tiny pussy my cock xploded and I could do no more..... One would think it was a waste of time, but it was in fact a very enjoyable waste of time, and I am defintiely going back to finsh the job off properly... Thanks Yoko, I will be back for more of your sweet pussy.
