### The Premises:

Quiet residential area in Irvine. Parking was fine. House was clean and tidy and felt completely safe and relaxed.

### The Lady:

Brogan is a young 18yr old girl with an old head on her shoulders.  
very attractive girl with long dark hair and the most amazing tits which i would say are about 36dd and a nice smooth shaven pussy.

### The Story:

Was shown into the room by a sexy Brogan who had the sussies on and the tits barely in the bra. Was asked if i wanted a massage but i wanted to get straight into it so to speak. Great OWO which was followed by a 69 which i thought was amazing as her pussy was so smooth and tasted so sweet. I then fucked her doggy style which i was enjoying but then i asked if she could mount me so i could have those massive tits in my face which resulted in me shooting my load.

After i had removed the condom and cleaned myself up a little Brogan asked me to lie back and relax as she started to suck me off again and in no time i was hard again and so on and so on. She is definately one i will be returning to as it was a good atmosphere and not rushed as i was a little over my time which she didnt seem to mind.
