The Premises:

Very posh - both location and otherwise - easy to find and safe

The Lady:

Delightful - smooth skin - the closest you can get to making love to a Penelope Cruz lookalike.

The Story:

OK I will spare you the details - she offered a proper uncovered BJ. But the climax was uncomfortable for her due to a misunderstanding. At the outset I asked her whether "full oral" was acceptable. She said "yes" but it turned out she was disgusted by the CIM that resulted. I am sorry again Patricia - you really need to understand what "full oral" means - maybe language difficulties???? In my 10 or more years of punting - every working girl knows what I mean. I would recommend her and plan to visit again with full knowledge of what might be off limits for her.
