The Premises:

I visited Tasha at a private house in Swansea. It's in a nice, upmarket neighbourhood. Easy to park & most importantly discreet. Very quiet street with no busy bodies watching you go in.

The Lady:

Tasha is Welsh lady mid 20s. She has the exotic/ spanish look. Although this is prob down to the sunbed use, which suits her.

Tasha is very pretty, has dark brown eyes, black hair, slim, toned & very tanned figure and quite busty about c or D cup.

The Story:

Tasha is a really lovely girly type of girl. She's friendly and giggly and so much fun.

I know I have a soft spot for welsh girls but they all seem to be very friendly and will do their utmost to please. Tasha was no exception.

We started with a body to body massage with some body cream. She massaged me all over with her big tits which got my chap standing to attention quickly.

We quickly moved onto some passionate full french kissing and Tasha kissed me all over and then gave me some slow, sensual owo, flickering her tongue and teasing me. I quickly got her in a 69 position and started licking her pussy. I pulled my tongue out briefly and she begged me to leave it in her pussy. I obeyed and in a few mins she started moaning and shaking and then squirted her juices in my mouth. God what a turn on having a babe cum in my mouth!

On with the Condom and onto some energetic sex. Her pussy was just soaking wet! We done miss, cowgirl, butterfly and then finally doggy until i cum.

We still had around 15 mins left but I was a little tired and was satisfied with our session so I got ready to leave. But Tasha asked me if I wanted to chill and have a game of pool? I thought it was really weird thing but she took me into another room and we had a coffee, chat and a game of pool. It's quite horny watching a topless babe playing pool, with stockings on. First time for me!

It was a great way just to chill out after our session anyway!

Tasha comes across as an easy going, happy go lucky type of girl.

Next time I visit her she's promised me a session over the pool table. Sounds good to me!

What can I say. Tasha is a great laugh & very beautiful. Will see her again in a few weeks hopefully!
(looking forward to bending her over the pool table!)
