The Premises:

Clean flat, although a plumbing problem had led to damp floor, but this was not a big issue. Discreet cul de sac off Hull Road. Press communal buzzer to enter.

The Lady:

Smart looking said that she was 30. Blonde, attractive yorkshire lass. Average sized tits, shaven fanny.

The Story:

Ellie was very friendly and made me feel very welcome. She asked me to strip and lie on my front. She gave me a soothing massage and asked me to raise my arse and then massaged my bollocks. Turned over on with the rubber and sucked my cock. She took her knickers off but kept her short skirt on. She said she had a scar. Not to worry as she let me put my fingers up her. Down to action she jumped on the now rock hard todger, then fucked her mish and then her back on top, couldn't hold out any longer and shot my load. Really tight fanny and great shag.
