The Story:

BEWARE, the worst experience in my life, this girl advertises on adultwork. smiley gfe with dfk cim and loves A.

does not speak good english, told no A too big, i am average.

no kissing of any description, good blow job when i asked for cim she pulled out at crucial moment so it went over her hand,

had booked and paid for an hour but after coming she got dressed straight away, and was told this was a cum once only and i had to go although i had another 25 mins left, this girl was unfriendly, argumentative, unprofessional and over an hour late so in short avoid if possible, i would never return if i was paid
