The Lady:

Petite girl, 5'2", 34C, size 8. Long wavy hair, pretty.

The Story:

Bit of an odd punt really, having thought about it afterwards I don't think this girl likes to kiss or give blow jobs as neither happened. but she did a good job of either fooling around to make me feel this was a good punt without this.

I stripped got on the bed and she started to give me a bit of a massage with oil, she then move on the first wanking me by hand and then by her stocking feet (very nice to), Then she did a bit of body to body massage.

She then asked me to massage her, which i did and loved to have the chance to feel all her curves, as I did I then started to give her RO which she made some quite nice squealing noises with the enjoyment. She then pushed me off saying she needed to now be fucked really hard so on with the overcoat and straight into deep doggy with her shouting instructions of "harder, deeper, faster at various intervals. I then shot my bolt not being able to contain myself much more.

A nice punt - definately a bit different with a girl who has a bit of attitude but in a nice way.
