The Premises:

Flat is in a nice new building in Canary Wharf, very safe and upscale. Very clean professional apartment, felt comfortable.

The Lady:

Savanya is stunning, Id guess 30 something, Indian background. Slim, very physically fit, ample perky breasts, beautiful face, long smooth hair, gorgeous legs...etc.

The Story:

Booked a 1 hour tantric massage session.

Arrived on time, Savanya invited me in, was very friendly. Took a shower, made some small talk and proceeded with the massage.

All I can say is it was the most arousing, hypnotic and sexual experience Ive ever had with a masseuse - massage strokes incorporated with tantric teasing elements, built me up to a super nuclear orgasm!

Savanya was nude for the massage, nothing extra was on offer, didnt try to touch, there was no need - the treatment was that good. As gorgeous as she is I didnt have to look at her for stimulation, the treatment took me away.

She is the best, I definitely plan on visiting again but fear she will soon be too busy to get an appointment...
