The Premises:

Flat is located in an apartment block near Bayswater tube station, very safe neighbourhood - inside extremely clean and looked after, massage room immaculate.

The Lady:

Imogen is early/mid 20s, pretty, not skinny but curvy in the all the right places, gorgeous ample breasts.

The Story:

Booked a 1 hour massage session, chose the topless ?100 option.

Arrived on time, Imogen welcomed me in and took me up to the massage room, felt very comfortable from the start. Took a shower and came back to the room, made some small talk and proceeded with the massage.

Imogen's technique seems to be all about relaxation, her strokes were so gentle and sensual that my entire body went limp, great feeling. She massaged the nether regions nicely and then turned me over to deliver a very slow and perfectly executed HR, 11 out of 10!

All in all a great experience, not the same sort of deal you get with some of the ladies who tease and build you up to a fierce exploding orgasm - this was different, more sensual and relaxing, very very nice.

Will definitely return when im stressed or wound up, Imogen really made my day.
