The Lady:

Tiara is an attractive, tall, leggy blonde (highlights). Slim and everything in the right proportions. Nice breasts, not too big but not small either.

The Story:

This was my first time with Tiara. She instantly put me at ease. Once in the cabin she clearly detailed what was on offer and the associated costs.

I'm not going to go into the specifics of our meet but suffice to say I left extremely satisfied. Multiple positions on offer, fantastic OWO, ass play and so on. Head and shoulders above some of the other girls I've seen in Scorpio. Best part is, she genuinely appears to enjoy her work.

Treat this one good guys and she'll take you to heaven and back.
